# FAQs

- What types of businesses do you support?

Surivon UK primarily work with small and medium-sized enterprises (SMEs) looking to scale strategically, improve their sales structure, and generate qualified B2B leads. Our services are adaptable across industries and tailored to each company's commercial objectives.

- Are my documents kept confidential?

Absolutely, Surivon UK prioritizes confidentiality and handle all data in compliance with UK Data Protection Act 2018 and the General Data Protection Regulation (GDPR).

- Does Surivon UK arrange face-to-face meetings with clients when possible?

Yes, Surivon UK may offer this if the client is only in London, which is located our office, or if it is a client who is in the same city as our team is travelling to.

- How do you ensure the leads are qualified?

All leads are carefully researched and aligned with your defined target criteria, including industry, location, decision-maker level, and business size. Our approach focuses on quality over quantity to maximise conversion potential.

- Do you guarantee sales results?

While we apply proven strategies and structured outreach methods, sales outcomes ultimately depend on market conditions, offer positioning, and client follow-up. We guarantee professionalism, transparency, and strategic execution, not unrealistic promises.

- Which countries Surivon UK does not offer services?

We are unable to offer services for countries involved in wars, particularly those with high levels of extremist activities, violence, or where human rights are not respected.

- Can your services integrate with our existing CRM system?

Yes. Surivon UK can work with platforms such as HubSpot (Free), Pipedrive, or adapt to your current CRM system. We ensure pipeline organization, lead updates, and clear reporting for better sales visibility.
